PUBLICATIONS :

Das Handbuch fur werdende Mutter & Vatter. This is a book in German published in 1987 about natural childbirth.

“A New Theoretical Approach to The Homoeopathic Law of Similias”, *Journal of the American Institute of Homeopathy*, in press, co-authored with William Pensinger and Douglas Paine.

“Quantum Biophysics of the Homeopathic Ozone Effect” in 2nd Edition of H.E. Sartori, *Ozone, The Eternal Purifier of the Earth and Cleanser of All Living Beings*, Palm Beach, Life Science Foundation, in press, co-authored with William Pensinger and Douglas Paine.

Julia has studied and trained with leading authorities on Homoeopathy, Naturopathy and related fields such as massage, aromatherapy, herbology, diet & nutrition, and Eastern philosophies. She currently resides in Chiang Mai where she works as a Health, Spa and Raw Food Consultant, and as a Taoist, Gyrotonic instructor.. The Ministry of Public Health Thailand is presently working very hard to integrate many natural approaches to health care. Julia is working closely with the Ministry for the recognition of homoeopathy and colon hydrotherapy.
